

Quick Guide – Accessing GO via Android Devices

Setup and Logon to GO via an Android

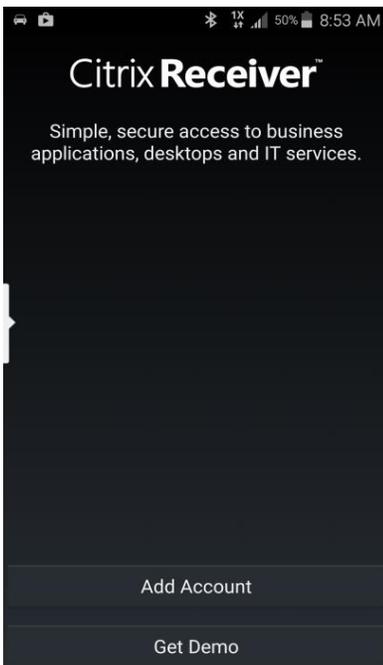

Tap the 'Play Store' icon.

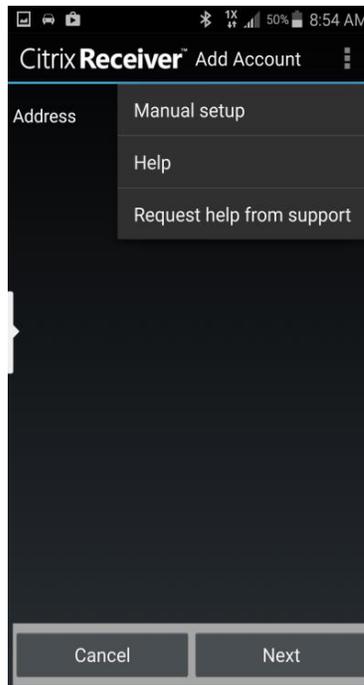

Search for 'Citrix Receiver', tap 'Install', tap to Accept to install receiver.

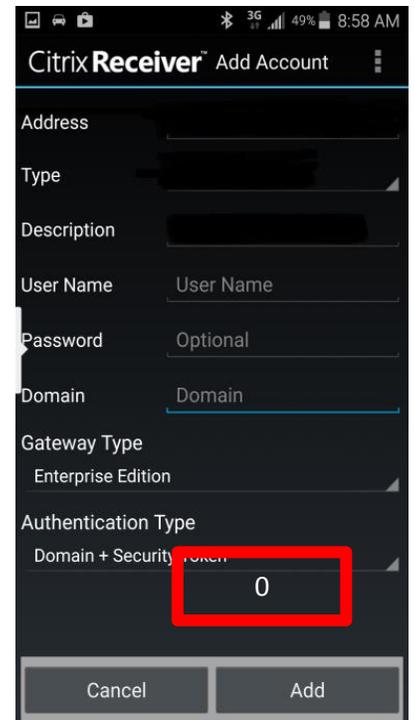

Tap the Receiver icon to open it.

Tap Add Account to setup the Citrix Receiver's connection to GO.

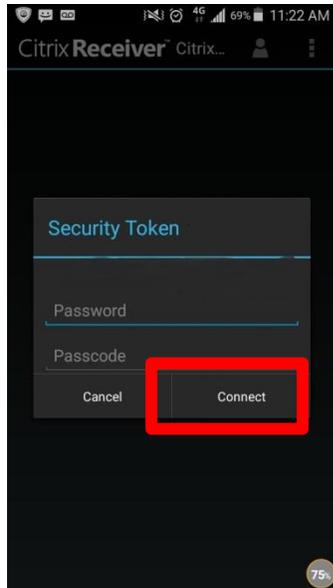

Tap the Menu button, the 3 buttons to the right of Add Account, on the Android device and tap Manual setup.

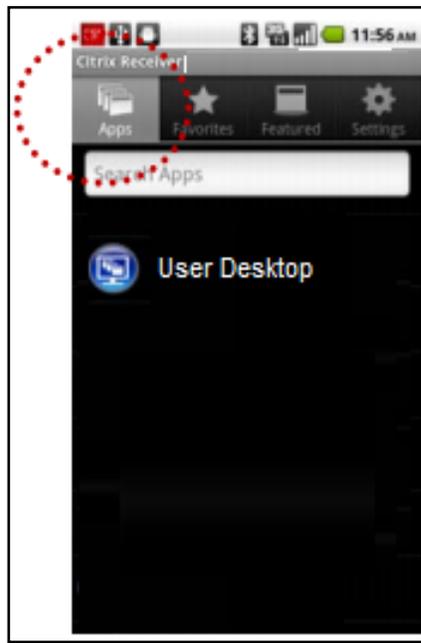

Enter the available parameters. Tap Add.

Setup and Logon to GO via an Android Cont'd

Tap on the GO account and enter your password and passcode. Tap Connect.

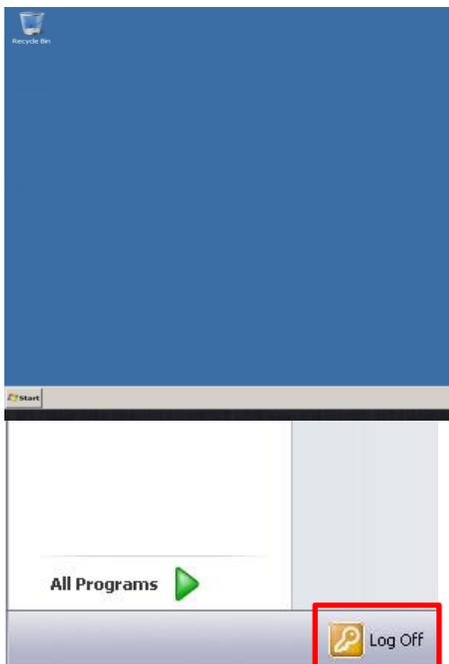

Tap on User Desktop to launch the GO User Desktop.

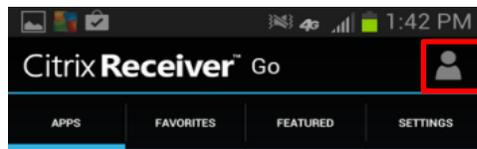

A legal disclaimer will display. Click OK to accept.

Logoff from GO via an Android

Tap the Start menu and then tap Log Off.

After the User Desktop closes, in the Citrix Receiver app tap the Silhouette Icon in the upper right corner and then tap Log Off to completely log off and end the Citrix session.
